

# Exciting hospitality solutions from TeleAdapt

TeleAdapt, the industry leader in mobile accessories for hospitality, is proud to offer a line of products that help smart hotels to keep their guests powered up and connected.

## ChargeTime Plus I TA-7850

The ChargeTime Plus is a uniquely designed hotel alarm clock radio, Bluetooth speaker and mobile device charger all-in-one. ChargeTime Plus is loaded with hotel features that make it incredibly simple for hotels to install including pre-set time, automatic daylight savings adjustments and included security features. With an intuitive interface, guests will find it incredibly easy to use.

- 1 x 2.1A USB Charging
- 1x 1.0A USB Charging
- Bluetooth audio
- Easy set alarm
- Small Footprint
- Security Lanyard

## ChargeTime I TA-7830

An attractive minimalist design which provides guests with two easy-to-find USB charging outlets and a single-set alarm clock. Specifically for bedside charging.

- 2.1A / 1.0A USB Charging
- Easy set alarm
- Small Footprint
- Security Lanyard

ChargePort Vertical

## ChargePort I TA-7800

Hotel guests all over the world share one common complaint: not enough power at the nightstand. Lack of convenient power within reach is easily the most pervasive problem among hotels today. Join thousands of hotels across the US that have solved this problem with ChargePort.

- Nightstand charging
- US sockets
- 1 x 2.1A USB Charging
- 1x 1.0A USB Charging
- Option to add cable
- Easy installation

## Sound Rise Classic I TA-14H

Sound Rise Classic Hotel is a classic alarm clock and bedside speaker to complement a modern lifestyle. With an "Easy-to-read" dial, "Easy-to-set" controls plus a precision quartz movement with smooth sweep motion for silent operation for hotel guests. Bluetooth allows guests to stream and enjoy their music with balanced audio.

- Hotel specific model
- Bluetooth audio
- Twin 2.1A USB charging
- Precision quartz movement
- Easy-to-set alarm
- Aux-in
- Small footprint

## Sound Rise I TA-08H

The Sound Rise Hotel has two high-current USB ports located on the top of the speaker, offering guests easy access to charge their devices while still being able to use them in bed. With Bluetooth, guests can stream audio without missing a beat; allowing them to keep their device exactly where they want it, in their hand.

- Hotel specific model
- Bluetooth audio
- Twin 2.1A USB charging
- Aux-in
- Small footprint

# Flush-Mount products to “design-in”

Future-proof your next renovation or new build design with connectivity solutions that are integrated directly into furnishings or millwork. Building on existing features essential to the hotel guest such as USB charging and Bluetooth we now introduce USB-C and 4K capability.

## MediaHub UHD I TA-3360

Guests can use the USB to charge their mobile devices. Bluetooth pairing means that your guests can listen to their music over the TV speakers without docking, providing the freedom to roam and multi-task. The HDMI supports 4K and is the universal method for connecting mobile phones, tablets and gaming consoles to HDTV's.

*Auto-Switching, CEC  
Bluetooth Audio  
4K support  
1 x 2.1 Amp USB  
1 x 1 Amp + passthrough USB  
Single HDMI install  
Optional face plates*

*Also available with a  
desktop housing*

## Mini-Clip Modules I TA-337

These individual audio / video and USB power modules allow customers to customize the connectivity options. Pick two modules in their own trim, or combine with PowerHub using the Extender Trim.

*Range of modules for AV,  
CAT6 and USB Charging /  
Pass-Through.*

*High Power 2.4A USB module  
with Smart Charging*

## POE Module I POE-512VBK01

Simplify MediaHub UHD or Mini-Clip USB installation using the Power Over Ethernet (POE) module. Now the MediaHub UHD and Mini-Clip USB can install flush into drywall, and get power from a compliant Ethernet connection. Power over Ethernet Plus (PoE Plus or IEEE 802.3at) is preferred in order to supply ample power for “fast-charging” mobile devices.

*Compatible with both 50mm  
and 100mm carriers and trims.  
POE module, Mini-Clip USB and  
MediaHub UHD are designed  
to the Euroclip standard 50 x  
50mm, please contact us to  
confirm compatibility with third  
party Euroclip trims.*

## PowerHub USB-C I TA-7540

This fully-enclosed and corded product is designed to be mounted flush into furniture and case goods. PowerHub is fully UL compliant and includes Tamper Resistant Outlets. Designing guest-rooms and public spaces with easy to reach power with USB-A & USB-C charging ports has never been easier.

*Flush mount design  
1 x USB-C 5VDC@3A  
2 x USB-A 5VDC@2.4A  
2 x 125VAC Tamper-Resistant  
Receptacles  
Choice of trims  
UL962A Approved*

## MediaHub UHD Extender

The Extender frame and trim kit allows hotels to combine PowerHub and MediaHub, or Mini-Clip modules into a single convenience panel. Providing a complete power and media solution.

*Trim compatible with MediaHub  
UHD or Mini-Clip-In  
Power & charging  
Media connectivity  
Choice of trim colour*
